

## **Lights Out Hoops Parent Expectations**

### **RESPECT**

Lights Out Hoops takes pride in representing a team that is respectful to all players, officials, coaches, fans, and property. As competitors we must respect a worthy opponent and appreciate the role that opposing coaches, officials, fans, teammates, etc. take in making basketball such a great experience. We ask that all parents refrain from negative talk about any above mentioned participants (coaches, officials, fans, opponents, teammates, etc.) as well as negative talk about your own child. Disrespect by a parent of any of the above mentioned participants will result in a warning on the first occurrence. A second occurrence will result in immediate dismissal.

### **COMMUNICATION**

Lights Out Hoops cannot be a highly functioning club without an open line of communication from all parts. It is one of the goals of the club to teach players how to communicate on and off the court. We ask that coaches be contacted in such events as: arriving late to a practice and or a game, injuries, vacations, a problem witnessed at a practice or a game, or an event that impacts your child.

### **PUNCTUALITY**

Club basketball is a game of preparation. We ask that all players arrive to each game at least 30 minutes before the start time and 5-10 minutes before practice. Players who are late put an added stress on teammates and themselves. If you realize you are going to be late, we ask that you communicate this with the coach as soon as possible.
